

# IEEE SUSTAINABLE ICT™

## SPONSORSHIP OPPORTUNITIES AVAILABLE

The IEEE Sustainable ICT Initiative is proud to host the 2<sup>nd</sup> Edition IEEE Sustainable through ICT Summit, June 18–19, 2019 in Montreal, Canada.

Summit delegates will collaborate to identify key technological, commercial and public policy challenges that must be overcome to achieve sustainability in our increasingly connected world.

Companies are invited to take part in SICT Summit activities through various support opportunities. By providing support, your organization can raise your company's profile among Sustainable ICT professionals who are your current and potential customers.
